

Module 06: TCP/IP Protocol Suite & OSI Comparison

AKTU BCS603 Focus: 4-Layer TCP/IP architecture, protocol stack (IP, ARP, ICMP, TCP, UDP), and authoritative 10-point OSI vs TCP/IP comparison matrix.

AKTU Exam Tip: Jab bhi TCP/IP vs OSI model ka question aaye, 4 vs 7 layer mapping diagram draw karein aur Transport vs Network layer ke connection modes (TCP/UDP vs IP) ka difference table me zaroor highlight karein!
